Breeder/Farmer

We are pleased to include Broombrae Major M3 in our Signature Beef Simmental line up. This phenotypically outstanding Simmental sire combines performance and style with a strong set of EBVs. Ranking in the top 5% of the breed for 200- 400- and 600- Day Weights, Major is a superior growth sire and is sure to produce progeny with great shape who possess a larger Eye Muscle Area and High Retail Yield, with Major sitting in the top 10% and 5% of the breed for these traits respectively. With these extraordinary carcase traits, Major is an easy choice for commercial breeders looking for a Simmental sire to add shape and frame. This bull is also capable of breeding replacements, with a +8 maternal milk score, and a Self Replacing Index of +107GBP, Major is the complete package. This sire carries a Semen Royalty for pedigree registrations.
