Breeder/Farmer

Twemlows Officer is a notable Limousin sire with proven calving ease . This bull's pedigree combines breed greats, such as Ampertaine Commander, Glenrock Ventura and Haltcliffe Vermont. Phenotypically impressive, Officer models exceptional length and width over his loin, coupled with easy fleshing ability. This bull carries two copies of the F94L myostatin gene and is suitable for use on maiden heifers. Boasting positive EBV'S for both Gestation Length and Calving Ease, with a pedigree that is packed full of calving ease credentials and calf quality makes Officer an obvious candidate for pedigree and commercial herds alike. This sire carries a Semen Royalty for pedigree registrations.
